Dear Mrs. Nielson,

This is to inform you that Texaco, Inc. has purchased the outstanding common stock of Getty Oil Company. As a holder of a permit issued by your agency, Getty Mining Company, successor in interest of Getty Mineral Resources Company and a wholly owned subsidiary of Getty Oil Company, wants to notify you of this event. We believe that this purchase of stock does not trigger the necessity for a permit modification as is required for a change in ownership or operational control of a facility. See e.g., 40 CFR 122.63. However, we thought that you should be informed of the purchase of Getty stock.

Should you have any questions or comments in regards to this matter, please call me directly, (801) 263-3850.

Sincerely,

Brian W. Buck
District Environmental Coordinator
