RE: 1987 Annual Report, Kaiser Coal Corporation, Sunnyside Mine, ACT/007/007, Folder #6, Carbon County, Utah

The annual report for the Sunnyside Mine included an updated mine sequence map referencing areas mined in 1987 and areas to be mined in 1988.

The bonding for this operation is inadequate due to the declaration of bankruptcy by Kaiser Coal Corporation on February 13, 1987. This situation is currently under litigation. The liability insurance is current and accurate.

The BLM right-of-way for the Water Canyon road was granted by the BLM on October 15, 1987 (Stipulation 817.160-.166).
