RE: Sage Point-Dugout Canyon
Raptor Study
ACT/007/009
Carbon County, Utah

Dear Mr. Livesay:

Enclosed is a copy of a report that was recently received in our office from Eureka Energy Company, concerning raptor nests within the Sage Point-Dugout Canyon Project permit area.

I would appreciate it if your staff would review this report and return any comments to Susan Linner of our staff. If you or anyone on your staff are interested in taking part in a field review of the area please notify Susan of availability dates, so that a meeting can be arranged with all interested parties.

Thank you for your cooperation.

Sincerely,

JAMES W. SMITH, JR.
