Memorandum

To: Utah State Coordinator, Office of Surface Mining, Denver

From: District Mining Supervisor, Minerals Management Service, Salt Lake City

Subject: Eureka Energy Company, Sage Point-Dugout Canyon Project, Carbon County, Utah, Mining and Reclamation Plan, Road Construction Drawings

The subject information, transmitted from your office by form letter dated January 11, 1982, was received in this office on January 19, 1982. We have reviewed this material and have determined that the proposed actions will have no adverse affect on recovery of the coal resource. We have no other comments.

For Jackson W. Moffitt
