RE: NOV-87-20-1-1, Alternate Form of Bonding not Received at Division by Due Date, Kaiser Coal Corporation, Sunnyside Mine, ACT/007/007; Horse Canyon, ACT/007/013; Wellington Preparation Plant, ACT/007/012; Folder #4 and #5, Carbon County, Utah

I wrote NOV-N-87-20-1-1 on June 29, 1987 and gave it to my permit supervisor, John Whitehead, on that same date (copy attached). This Notice of Violation resulted from the fact that the Division has not received an acceptable form of bond in the amount of $8,676,773.00 from Kaiser Coal Corporation.

This bond submittal was prompted by a letter from Dianne R. Nielson to Jeff Collins dated March 26, 1987, requesting an alternate form of bond within 90 days of receipt of that letter because the self-bond is not acceptable.
