Re: 1988 Annual Report for
Horse Canyon Mine, ACT/007/013 and
Wellington Preparation Plant, ACT/007/012

Dear Mr. Smith:

The Horse Canyon Mine and the Wellington Preparation Plant have in the past been closely associated with Sunnyside Mines. As a matter of clarification, Sunnyside Mines is now under the ownership and direction of Sunnyside Reclamation and Salvage, Inc. (SRS) and SRS does not currently have an ownership in or a responsibility for either the Horse Canyon Mine or the Wellington Preparation Plant.

Sunnyside Mines staff in 1988, under the ownership of Kaiser Coal Corporation, did collect and maintain the Annual Report information for both the Horse Canyon Mine and Wellington Preparation Plant. This information is currently on file in SRS's offices at Sunnyside Mines and is available to the current owners of these properties for their use.

Sunnyside Mines is in the process of preparing the 1988 Annual Report for Sunnyside Mines ACT/007/007 and the report will be submitted to your office on or before March 31, 1989. Thank you for your cooperation and understanding in this matter.

Sincerely,

Karl R. Houskeeper
