Carbon/Emery Counties

Dear Ms. Littig:

This letter is to request that all documents (NOV's, Division Orders, TD's, ICR's, etc.) continue to be sent directly to me at the Beaver Creek Coal Co. address. Although a resident agent is listed in the plan, this is intended only as a back-up in the event a designated person is not available to represent the company.

My primary responsibility is the permitting and environmental compliance for all Beaver Creek Coal Co. properties, and, as such, I am the designated representative for all Beaver Creek Coal Co. permits. If correspondence were to be sent elsewhere, it would add one more step to the process and likely cause unnecessary delays.

The following is the address to which all correspondence should be sent:

Dan W. Guy, P.E.
Manager of Permitting and Compliance
Beaver Creek Coal Co.
P.O. Box 1378
Price, Utah 84501
[Phone: (801) 637-5050]

If you have any questions, or need any further information, please let me know.

Respectfully,

Dan W. Guy
Mgr. Permitting/Compliance
