Re: AVS Recommendation - Issue, Gordon Creek #2 and #7 Mine, Mountain Coal Company, ACT/007/016, Canyon Fuel Company, LLC, Skyline Mine, ACT/007/005, Soldier Canyon Mine, ACT/007/018, Banning Loadout, ACT/007/034, Dugout Canyon Mine, ACT/007/039, SUFCO Mine, ACT/041/002, Folder #3, Carbon and Sevier Counties, Utah

The ownership of Canyon Fuel Company, LLC and Mountain Coal Company was changed from ARCO Coal Company to Arch Western Resources, LLC on June 1, 1998. This change in ownership was not a permit transfer because the permittees remained the same.

A recommendation from the Applicant Violator System (AVS) was requested on May 26, 1998 for the Arch Western Resources, LLC. The system recommendation was "issue" (see attached.)
