Pam,

This email constitutes official submittal of 2nd quarter, 2001, water monitoring reports for Centennial, Wildcat and WEST RIDGE. The permit numbers for these sites are 007/019, 007/033 and 007/041 respectively. Centennial monitoring sites consist of 7-1, 8-1, 12-1, 17-1, 17-2, S18-1, 18-2, 18-3, 18-4, S25-1, 25-2 and Well #1. Wildcat sites consist of WCW-1, WCW-2, WCW-3 and WCW-4. WEST RIDGE sites consist of SP-8, SP-12, SP-13, SP-15, SP-16, ST-3, ST-4, ST-5, ST-6, ST-6A, ST-7, ST-8, WR-1 and WR-2. The data for all these sites have been entered into the DOGM website using the EDI upload feature. These files do not need to be re-entered into your system. All data have been checked, have passed all edits and have been OK'd by ANDALEX and WEST RIDGE to have the master files updated. Please contact me should you have any questions regarding this submittal.
