Hi David,
We received your letters indicating that Dave Shaver has retired and that you will be the Resident Agent for the Centennial, Crandall Canyon and West Ridge Mines. You will also need to submit an amendment to the Mining and Reclamation Plan (MRP) for each of the mines to reflect the change in the resident agent. This is done by revising the appropriate page in the ownership and control section (typically chapter 1) of your MRP and submitting it along with a C1 and C2 form as an amendment to your plan. The C1 C2 forms can be found on our Division Web site and I have also attached a copy to this email for your convenience. Let me know if you have any questions.
Regards,
