Dear Mr. Braxton:

In accordance with the Surface Management Regulations, 43 CFR 3809.204 (b), our Memorandum of Understanding between the Utah Division of Oil, Gas and Mining and the USDA Forest Service, Region 4 and Utah Bureau of Land Management concerning regulation of minerals mining and reclamation terminated on January 20, 2004. We are continuing to work with the Division to develop a mutually acceptable program under our respective authorities.

We look forward to working with you in the joint management of locatable minerals on BLM administered lands.

Sincerely,

Sov Sally Wisely
State Director
