Mailing Address

Under the authority of the Surface Mining Control and Reclamation Act of 1977 (P.L. 95-87; 30 U.S.C. 1201), the undersigned authorized representative of the Secretary of the Interior has conducted an inspection of the above mine on the above date and has found violation(s) of the Act, the regulations or required permit condition(s) listed in the attachment(s). This Notice constitutes a separate Notice of Violation for each violation listed.

You must abate each of these violations within the designated abatement time. You are responsible for doing all work in a safe and workmanlike manner.

The undersigned authorized representative finds that cessation of mining is ☐ is not ☒ expressly or in practical effect required by this Notice. For this purpose "mining" means extracting coal from the earth or a waste pile and transporting it within or from the minesite.

This Notice shall remain in effect until it expires as provided on the reverse or is modified, terminated, or vacated by written notice of an authorized representative of the Secretary. The time for abatement may be extended by an authorized representative for good cause, if a request is made within a reasonable time before the end of the abatement period.

Date of Service 29 October 1980
