Mr. William P. Balaz, Mine Manager
Kaiser Coal Corporation
Sunnyside Coal Mines
P. O. Box 10
Sunnyside, Utah 84539

Dear Mr. Balaz:

Re: Conclusion of Mid-Term Permit Review, Kaiser Sunnyside Mines, ACT/007/007, Folder #3, Carbon County, Utah

The Division has completed review of the materials submitted July 11, 1988 in response to the Mid-Term Review process. Based upon the submittal of this material, the Mid-Term Permit Review can be successfully concluded at this time. Attached please find applicable findings with stipulated items which must be addressed during the permit renewal 2 1/2 years hence.

Please contact Lowell Braxton or John Whitehead should you have any questions.

Best regards,

Dianne

FINDINGS

MID-PERMIT-TERM REVIEW
KAISER COAL COMPANY
SUNNYSIDE MINES
ACT/007/007

September 7, 1988

1. Kaiser Coal Corporation has no outstanding permit stipulations for the Sunnnyside Mine permit.

2. Kaiser Coal Corporation has proposed no significant changes to the application which would require a change in bond amount.

WPOB46/8

STIPULATIONS TO MID-TERM PERMIT REVIEW

KAISER COAL CORPORATION
SUNNYSIDE MINES
ACT/007/007

August 24, 1988

The following stipulations must be resolved prior to permit renewal of the Sunnyside mine permit:

1. Maps in the permit application package must be revised to reflect the current permit area which excludes the parcel of land transferred to the Environmental Power/Sunnyside Fuels Corporation.

2. An additional underground monitoring borehole will be installed in the B Canyon return as described on page 33R of the approved B Canyon permit revision.

3. A revised Plate III-3 will be supplied to the Division which indicates the location of all subsidence monitoring points as well as revised underground water monitoring points.

4. The reclaimed Old Course Refuse Toe sediment pond must be included as a Small Area Exemption (SAE) on plate III-33 and in section 3.4.3.2 (page 26 of the PAP).

5. The Whitmore fan Small Area Exemption must be included in the text of PAP section 3.4.3.2.
