Dear Mr. Braxton:

Subject: Permit Relinquishment, Sunedco Coal Company, Sage Point-Dugout Canyon Mine, PRO/007/009, Folder No. 2, Carbon County, Utah

In consultation with our Moab District Solid Minerals staff, who currently administer the approved mine plans in that District, BLM has no objection to the permit relinquishment of Sunedco Coal Company's Sage Point-Dugout Canyon Mine.

Part of the lands within this permit have been included in the recent PAP submittal by Sunedco for the Soldier Canyon Mine expansion now under review.

If you have any additional needs concerning this or other matters please contact Allen Vance of my staff at 524-3106.

Sincerely,

Howard A. Lemm

Acting
Deputy State Director
Mineral Resources
