Re: Unit Train Loadout Permit Revision

Dear Jim;

We are in receipt of a copy of your letter to OSM concerning your review determination and schedule.

Thank you for your determination that this project is a revision, and for timely action. We concur with your schedule, and hope that the T.A. will move as quickly and smoothly.

We are anxious to have the permit approved, to avoid possible delays to the project.

Respectfully,

PLATEAU MINING COMPANY

Ben Grimes
Environmental Coordinator
