Subject: Public Outreach for the Evaluation of the Utah Coal Regulatory Program
(Division of Oil, Gas and Mining & Federal Office of Surface Mining), Outgoing File

Dear «SALUTATION»:

Each year the Utah Division of Oil, Gas and Mining (DOGM) and the Federal Office of Surface Mining (OSM) jointly evaluate DOGM's program for regulating coal mining. We determine how effective DOGM is in ensuring that reclamation on the mines is successful, in preventing impacts on the areas adjacent to the mines, and in providing service to its customers.

We are interested in getting any suggestions you may have for topics that we should evaluate this year. Thus far we have identified the following potential topics:

- 1. Post mining land use changes
2. Interagency coordination for wildlife consultation
3. Coal Tracking System for electronic permitting

If you have any suggestions for additional evaluation topics, please contact Susan White, DOGM, by telephone at (801) 538-5268, by e-mail at susanwhite@utah.gov, or by mail at the address shown below; or Jim Fulton, OSM, by telephone at (303) 844-1400, extension 1424, by e-mail at jfulton@osmre.gov, or by mail at the address shown below.

Sincerely,

Susan M. White (handwritten signature)
