Hi Tim,

I received the surety bond rider for Emery Deep Mine and Hidden Valley Mine to correct the name of the surety company from Seaboard Surety Company to Travelers Casualty and Surety Company of America.

There are a couple documents that I need in order to complete this change. Attached, please find an Exhibit "D" - Stipulation to Revise the Reclamation Agreement (one for Hidden and one for Emery) and Affidavits of Qualification for the Surety Company and the Permittee. Please have these documents signed and returned to me as soon as possible (An Affidavit of Qualification for the Surety Company and the Permittee must accompany each revised reclamation agreement). As soon as I receive the signed documents, I will forward them to our director for signature and the change will be complete.

Thank you,
Angela
