Memo to Coal File:

RE: Trail Mountain Mine
ACT/015/009
The Fetterolf Corporation
Emery County, Utah

Appendix A

During the inspection of July 8, 1980 said violations were found to be unabated:

Violation #1, Rule 30 CFR Section 717.17 - Failure to minimize disturbance of the prevailing hydrologic balance.

Violation #2, Rule 30 CFR Section 717.17(a) - Failure to pass surface drainage from the disturbed area through the sedimentation ponds.

Violation #3, Rule MC 717.17(b)(1)(5) - Failure to report water monitoring data as required by the regulatory authority.

Violation #4, Rule MC 717.20(b) - Failure to revegetate areas that are no longer used for mining.

Violations #1 and #2 were issued by both State and Federal inspectors during the June 5, 1980 inspection. They were terminated on July 9, 1980 resulting from the above mentioned cessation order. Violations #3 and #4 were issued by the State of Utah. Material addressing said violations will be presented before the Board at the hearing on July 22, 1980 in the Wildlife Resources Auditorium.
