Re: Sediment Pond No. 2

Dear Wayne:

I am in receipt of your December 2, letter and have no problem with the proposed construction schedule.

In regards to State Department of Health approval, Tom Suchoski tells us that the procedure in the past has been for DOGM to forward plans to the Department of Health for review. The original plan was done in this manner, but the revision of July 8, 1985 was not forwarded to the Department of Health per Larry Meiz.

Plateau will forward a copy of the July 8 provision to Mr. Meiz for their review, he has been made aware of our construction schedule and had no concerns.

Respectfully,

Ben Grimes
Environmental Coordinator
