Re: Request for Legal Area Description to Respond to Division Orders, PacifiCorp, Trail Mountain Mine, ACT/015/009-DO00A, Des-Bee-Dove Mine, ACT/015/017-DO00A, Deer Creek Mine, ACT/015/018-DO00A, Cottonwood, ACT/015/019-DO00A, Emery County, Utah.

Pursuant to our meeting held on August 25, 2000, PacifiCorp hereby requests an extension for response to the Division Orders received February 17, 2000. PacifiCorp responded to the Division Orders on March 30, 2000 by providing a legal description for the mines listed, but questioned the regulatory basis for the Division Orders. As stated in the meeting, PacifiCorp is committed to working with the Division to resolve any regulatory disagreements for legal descriptions in the permit and adjacent area for the mines indicated in the Division Orders. These issues are currently under legal review. PacifiCorp will amend the affected MRP's based on the outcome of this legal review.

Sincerely,

Charles A. Semborski
Geology/Environmental Supervisor
