RE: PLATEAU MINING COMPANY GENERAL MANAGER

Dear Dianne:

We are pleased to announce that Mr. John Spiecha has been appointed as Plateau's Vice President and General Manager, replacing Walt Mueller. As such, Mr. Spiecha is the authorized agent for the Company, and is the person to whom all legal documents should be addressed, including service of Notices of Violations.

I will continue to be the primary contact for day-to-day affairs with the Division as Plateau's Environmental Coordinator.

Mr. Spiecha previously was the Engineering Manager in the Getty Mining Company offices in Salt Lake City. He has been closely involved with Plateau and our environmental affairs, so he will be a great asset to Plateau and the Division.

We look forward to a good working relationship between the Division and Mr. Spiecha.

Best Regards,

PLATEAU MINING COMPANY

Ben Grimes
Environmental Coordinator
