Re: Permit Transfer - Request For Additional Information
DOGM Letter Dated June 26, 1986

Dear Mr. Braxton: Lowell

The following addresses the five items outlined in your letter of June 26, 1986:

1. Enclosed you will find copies of affidavits of publication from both the Carbon County and Emery County papers.
2. Enclosed you will find three copies of Map No. 2, revised to show proper ownership of the coal in question.
3. Enclosed are three copies of Page 782-12.
4. Violation N85-6-3-1 was vacated on April 29, 1985 and reissued as N85-6-5-1. N85-6-3-1 was inadverdently left off of the list; copies of Table 1 including N85-6-3-1 are enclosed.

   We have no record of a Violation N84-6-14-1 issued 1/4/85. Violation N84-6-15-1 was issued on 1/4/85; this, we assume, is the violation in question. This violation is included on Table 1, Page 4 of 5, although we did show the date of the notice as 1/4/84 instead of 1/4/85, and the termination date as 1/31/84 instead of the actual date of 1/31/85.
5. Copies of Page 782-16 and 782-16A are enclosed, giving additional detail on right-of-entry.

We hope that this response is adequate to resolve the permit transfer. If you need anything further, let me know.

Sincerely,

Ben Grimes
Sr. Environmental Engineer
