Re: **Graben Crossing**

Dear Mr. Braxton:

Enclosed, please find the information requested by the Division in its letter dated December 13, 1984, regarding the Graben Crossing.

This information is submitted in a manner which can be added to our MRP. The body of the material should be put in Volume IV, in the back. Revised Table of Content sheets are included and should go into Volumes I and IV as noted.

We are planning to start construction of the Graben Crossing later this year. We would ask the Division to review this material and approve the Graben Crossing within the next two to three months so we will be cleared to proceed when our schedule solidifies.

Please let me know what the Division's review schedule is on this submittal.

If you have questions, or need additional information, please let me know.

Respectfully,

Ben Grimes
Environmental Coordinator
