Daron

Per our discussions in the meeting today, please consider this an extension request to submit the Emery and Hidden Valley Annual reports.

I have been attempting to compile the field work completed by outside consultants for CONSOL prior to the sale and still have a few reports that need to be finalized. The most important one is the macro invertebrate study conducted by JBR/now Stantec. Once Stantec is under contract I will compile the reports and submit. I hope to have them compiled for submittal by the week of April 3.

Thank you for the Divisions patients and assistance in this asset sale, permit transfer and now expansion project.

Lets be SAFE out there

Subject: 2015 Annual Reports

Hello,

Just a reminder that the 2015 Annual Reports for the Emery Deep and Hidden Valley mines are due today, 3/31/16.

Please submit them to the Division as soon as possible.

Thank you.
