Re: Permit Renewal Clean-Up Items

Dear Mr. Whitehead:

Enclosed are fourteen (14) copies of revised pages, tables and etc. to clean up the permit document. These items were discussed with you on August 13.

We concur with you on all items except No. 6 discussed during the August 13 meeting. Item six, dealing with the last paragraph on page 784-52a and the first paragraph on page 784-52b, in our opinion does not need to be changed. These paragraphs are background information for the paragraphs to follow.

Essentially, the two paragraphs in question are needed to completely understand our justification for mulching or not mulching reclaimed areas.

Included also are fourteen (14) copies of Exhibit 3 to be inserted into your PAP sets.

I hope this cleans up the document to this point.

Respectfully,

Ben Grimes
Sr. Environmental Engineer
