Re: FOURTH QUARTER 2001 HYDROLOGIC MONITORING DATA, PACIFICORP, EMERY COUNTY, UTAH.

PacifiCorp, by and through its wholly-owned subsidiary, Energy West Mining Company ("Energy West") as mine operator, hereby submits the field data and supporting analyses and weather charts for the fourth quarter of 2001. Remember, these data are in raw form and are not intended to represent any hydrologic conclusions.

Energy West Mining Company notified the Division of temporary cessation of coal mining operations at the Trail Mountain Mine effective May 2, 2001 and at the Cottonwood/Wilberg Mine effective May 29, 2001. Effective the respective dates listed above, all in-mine hydrologic monitoring at Trail Mountain and Cottonwood mines have been temporary suspended. UPDES monitoring will remain in effect as specified in the individual permits.

Sincerely yours,

Charles A. Semborski
