Re: Request for Due Date Extension: Annual Subsidence Report for 2011, PacifiCorp, Trail Mountain Mine, C/015/0009, Cottonwood Mine, C/015/0019, Deer Creek Mine, C/015/0018, Des-Bee-Dove, C/015/0017, Emery County, Utah.

PacifiCorp, by and through its wholly-owned subsidiary, Energy West Mining Company as mine operator, hereby requests an additional thirty (30) day extension for the submittal of the 2011 Annual Subsidence Report for Trail Mountain Mine, C/015/0009, Cottonwood Mine, C/015/0019, Deer Creek Mine, C/015/0018, Des-Bee-Dove Mine, C/015/0017. This 30 day extension is necessary in order to provide all required data for a complete report. Energy West's subsidence data contractor will not have the subsidence data for 2011 completed in time to meet the present extended due date of April 30, 2012.

We anticipate resolution of these issues in the near future and will promptly submit the annual subsidence report at that time. No data, however; will be submitted until we can be assured that it is the most reliable data available.

If there are any questions or concerns please call me at 435-687-4712 or Dennis Oakley at 687-4825.

Sincerely,

Kenneth S. Fleck
