RE: Updated Responses, Cyprus - Plateau Mining Corporation,
Starpoint Mines, ACT/007/006, Folder #2, Carbon County, Utah

Dear Lowell:

We have reviewed the subject materials and have determined that the concerns discussed in our May 3, 1988, letter to your office have been adequately addressed.

The only remaining concern is in regard to the spring monitoring plan. As agreed with Plateau Mining Company, UDOGM and the Forest Service, we have conducted a field review of those springs which Plateau Mining Company has a problem with monitoring. We are preparing a response on the springs and will forward it to your office as soon as it is completed.

Sincerely,

James L. Horne
