Dear Mr. Fry:

1. All drill holes will be properly sealed in accordance with the enclosed Bureau of Land Management drilling stipulations (note changes in No. 5).

2. All enclosed Forest Service Special Stipulations will be followed.

3. A Road Use Permit must be obtained from the Forest Service before any work begins.

4. The present lease bond is $5,000.00. We will require that the lease bond be increased to $17,000.00 to cover plugging procedures and final abandonment ($10,000), and the reclamation of a new access road ($2,000).

5. The project cannot be implemented prior to July 21, 1992.
