RE: SUBMITTAL OF ANNUAL REPORTS FOR 1991, PACIFICORP, DES BEE DOVE MINE, ACT/015/017, DEER CREEK MINE, ACT/015/018, COTTONWOOD/WILBERG MINE, ACT/105/019, FOLDER #2, EMERY COUNTY, UTAH

Dear Ms. Littig:

Per our telephone conversation today, I respectfully request a sixty (60) day extension of the submittal deadline for the above referenced Annual Reports.

Progress is being made, including review of consultant's reports, data verification and analysis; however, to insure complete and accurate reporting requires additional time beyond the March 31 date. We have considered using outside professional services for help in preparation of the reports, but have determined this is not feasible beyond what is currently delegated to consultants.

Additionally, regarding the hydrologic information, discussions are proceeding between PacifiCorp and Division personnel regarding preferable database options. The selection of the database also necessitates additional time beyond March 31.

If you approve, all Annual Report information will be submitted on or before May 31, 1992.

Thank you for your consideration in this matter. If you have questions, please call me at 653-2312.

Sincerely,

Val E. Payne
Sr. Environmental Engineer
