Subject: Public Outreach for the Evaluation of the Utah Coal Regulatory Program  
(Division of Oil, Gas and Mining & Federal Office of Surface Mining), Outgoing  
File

Dear «SALUTATION»:

Each year the Utah Division of Oil, Gas and Mining (DOGM) and the Federal Office of Surface Mining (OSM) jointly evaluate DOGM's program for regulating coal mining. We determine how effective DOGM is in ensuring that reclamation of coal mines is successful, in preventing impacts on the areas adjacent to the mines, and in providing service to its customers.

We are interested in getting any suggestions you may have for topics that we should evaluate this year. Thus far we have identified the following potential topics:

1. Coal Exploration
2. Alternative Sediment Controls
3. Division Website

If you have any suggestions for additional evaluation topics, please contact Susan White, DOGM, by telephone at (801) 538-5268, by e-mail at [susanwhite@utah.gov](mailto:susanwhite@utah.gov), or by mail at the address shown below; or Howard Strand, OSM, by telephone at (303) 844-1400, extension 1444, by e-mail at [hstrand@osmre.gov](mailto:hstrand@osmre.gov), or by mail at the address shown below.

Sincerely,

Susan M. White
