Dear Ms. Littig,

Re: Minor Modification - Addition of Lump Coal Bin

We are planning to construct a lump coal bin for employee coal. We need to modify the permit to reflect this plan.

Enclosed are 12 copies of Table 67, Map 44, Sheet E-12 with the addition of item 77, the new bin, and 12 copies of a detail drawing of the bin.

Since we are currently working on our permit renewal to be submitted by September 27, 1991, we propose adding the bin to the reclamation bond at that time.

We would like to construct the bin before winter sets in.

Respectfully,

Ben Grimes
Sr. Environmental Engineer
