Re: 1990 Annual Reports - Des-Bee-Dove Mine, Deer Creek Mine, Cottonwood Mine, Emery County, Utah
Request for Extension

Dear Mr. Braxton:

Thank you for your letter dated January 16, 1991, reminding us of annual report submittals due March 31, 1991. We can supply reports by March 31 in all categories except subsidence, hydrology and eagle monitoring. Our recent staff changes (Kurt Snider transferred to another department), responses to current permit review (Des-Bee-Dove permit renewal) and response to Division Order (Deer Creek PHC) have delayed our attention to the annual reports.

We respectfully request an extension of our annual report deadline of at least forty-five days. A more thorough quality report may be prepared with this extension..

Thank you for your consideration.

Sincerely,

J. Blake Webster
Permitting Administrator
