Subject: Request for Extension: 2007 Annual Reports, PacifiCorp, Trail Mountain Mine C/015/0009, Deer Creek Mine C/015/0018, Cottonwood/Wilberg Mine C/015/0019, Des Bee Dove Mine C/015/0017

Dear Mr. Fleck:

The Division received your request for a 60-day extension for submittal of the 2007 Annual Reports. This request is granted under the conditions discussed with you by phone with Daron Haddock and me on June 30, 2008.

Energy West Mining is to submit the body of the Annual Reports in the next week, and the hydrology and subsidence technical information within 60 days. This will allow the Division's Inspectors to complete a timely review of their portions of the Annual Reports during the third quarter. Energy West will have additional time to compile the hydrology and subsidence data, which can be reviewed by the Division during the fourth quarter.

If you have any questions, please call me at (801) 538-5262.

Sincerely,

James D. Smith
Permit Supervisor
