Re: Resubmittal of Annual Report and Submittal of Hydrologic Annual Report for Year 2008, PacifiCorp, Trail Mountain Mine, C/015/009, Cottonwood Mine, C/015/019, Deer Creek Mine, C/015/018, Des-Bee-Dove, C/015/017, Emery County, Utah.

PacifiCorp, by and through its wholly-owned subsidiary, Energy West Mining Company as mine operator, herewith makes a resubmittal of the Annual and Confidential reports and a submittal of the Hydrologic Annual Report.

On May 11, 2009 Energy West requested and extension and received approval from the Division for submitting the 2008 Hydrological Report. On May 15, 2009, Energy West submitted the Annual and Subsidence reports for 2008 on CD. In developing these CD's, there were a couple of items (two production maps and a legal documentation) that were inadvertently excluded from the submittal. The Subsidence Report was submitted without errors.

Enclosed are two (2) complete copies of each Annual, Confidential, and Hydrological reports in electronic format. Replace the Annual and Confidential reports that were submitted on May 15, 2009 with this currently submitted version. A C2 form is attached for clarification.

If there are any questions or concerns please call Dennis Oakley at 687-4825.

Sincerely,

Kenneth S. Fleck
