Jaren,
Thanks for clarifying when the NOV was received. I will go ahead and extend NOV 19151 until June 13th as requested. On NOV 21171, I am hesitant to extend as of yet. I think it would be prudent to wait until after the Assessment Conference scheduled for June 3rd before modifying the time on this one. Thanks. Daron

during the Memorial Day weekend to get the pond inlets fixed up. A copy of the NOV modification will be coming to you in the mail. Thanks. Daron
