They did a switch change on me and there is a new "more secure" spot for this report. So, follow the directions below to access the report. The location and name of the document are still listed below. It is necessary to access it differently than before with a secure log on.

To access:

Double-click on MyComputer.

In the Address bar, type (or copy): <ftp://dnrftp.state.ut.us/>
and press enter.

You should get a "Log On As" window...

For the User Name enter: .osmftp.fs.ogm.nr.ut
(Make sure to enter the leading period)

For the Password enter: Utah4Coal
(The password is case-sensitive)

Then click LogOn to login.

If you have any questions or problems viewing the report, contact Angela or myself. Thanks.

The Compliance Report dated 04/06/2007 has been uploaded to the "new" DOGM ftp site.

Location: <ftp://dnrftp.nr.state.ut.us/REGULATORY/March2007Compliance/04062007>

If you wish to acquire a copy of the signed compliance report or any of the attached documents, please e-mail me or give me a call and I will be happy to provide you with whatever you need.
