RE: **Exploration Reclamation, Beaver Creek Coal Company, Trail Mountain #9 Mine, ACT/015/009; Utah Power and Light Company, Cottonwood/Wilberg Mine, ACT/015/019; and Southern Utah Fuel Company, Convulsion Canyon Mine, ACT/041/002; Folder #2, Emery and Sevier Counties, Utah**

Mr. Dale Harber, Manti-LaSal National Forest, Ferron District, called me on December 15, 1989, to notify the Division about exploration done during 1989, and reclamation work formed. A report of the exploration is as follows:

Trail Mountain #9 Mine

Beaver Creek Coal Company drilled nine holes over the last two years. All of these holes have been reclaimed. Holes revegetated in 1988 have sparse growth. Holes revegetated in 1989 have a little grass growing currently.

Convulsion Canyon Mine

Southern Utah Fuel Company drilled five holes in the Quitchupah Lease Tract Addition in 1989. All these holes have been reclaimed and reseeded.

Cottonwood/Wilberg Mine

Utah Power and Light Company drilled two holes on private land in Forest Service areas. Both holes have been reclaimed.
