Re: Federal Coal Lease U-13097, Readjustment, Cyprus Plateau Mining Corporation, Star Point Mine, ACT/007/006, Folder #2, Carbon County, Utah

The Division is in receipt of your letter, dated January 26, 1993, in regards to the environmental analysis process to address issues for the surface resources relative to the readjustment of the Federal Coal Lease U-13097. The Division reviews applications for changes to the Mining and Reclamation Plan for the Star Point Mine pursuant to the rules and regulations of the Utah Coal Regulatory Program, after alternatives resulting from the leasing readjustment have been identified.

If you have any questions, please call me.
