DIV. OF OIL, GAS & MINING

Dear Joelle
Under cover of letter dated October 22, 2002 I have received the following 18 permit fees billing, and accordingly respond with information that I have on file pertaining to each one as follows;

Project ID # E010147 Western Utah Copper **paid on Oct. 3rd by WUCC**
Project ID #M010059 Western Utah Copper **paid on Oct. 3rd by WUCC**
Project ID # SO10060 Western Utah Copper **paid on Oct. 3rd by WUCC**

Project ID #EO10146 BMX **payment enclosed**
Project ID # EO10112 Breccia Development **closed two years ago**

Project ID #EO10113 Breccia Development reclamation in progress, **payment enclosed**

Project ID # E010126 Breccia Development, **closed two years ago**. Note; sites were permitted in 1999 but never built. This is completely closed, and fully reclaimed

Project ID # E010128 **assigned to Horn silver** mines 18 months ago Payment enclosed
Project ID # E010129 active, **payment enclosed**
Project ID # E010130 reclamation in progress, **payment enclosed**
Project ID # E010135 **reclaimed and closed**
Project ID # E010136 **reclaimed and closed**
Project ID # E010138 reclaimed **please inspect and close**
Project ID #S010051 reclaimed, and closed out. Note: **BLM released** the **cash bond** on this in January 2002

Project ID # S010054 reclamation in progress, **payment enclosed.**
Project ID # E010141 Active, **payment enclosed**
Project ID # E010145 This was taken over by a cedar city firm—I need to see what happened to the transfer of this notice

Project ID # E010144 This project was **reclaimed concurrently**, **18 months ago**. I am not the contact person any longer, the correct, last known address is listed on it, It should have been closed. I was under the impression that it had been inspected last year.

From the above information it appears that only five permit fees are due. In case there is a discrepancy, I have enclosed a check in the amount of $1050.00. Please let me know if you need any additional information.

Sincerely

Mark Dotson
