Dear Mr. Jensen

We are in receipt of a letter dater October 26, 2005 regarding the five-year reviews for several of our quarries. We are currently working to supply the requested maps and information. The Division has requested that we provide these updated maps no later than December 27, 2005. We are reviewing all the information and would like to request an extension of the deadline so we can provide the most accurate information. This request includes Cotton Thomas (M/003/024), Rosebud (M/003/026), Peoa Blonde (M/043/012), and Heber Quarry (M/051/001).

We submitted a revised NOI for Torrey (M/055/016) on November 30, 2005 as requested. It is our intention to complete as quickly as possible the remaining revised plans and remain in compliance. Please inform us of your decision on our request by contacting either myself, or my assistant Marie Ludwig.

Sincerely,

Lon Thomas
