Joe Helfrich
Soils Specialist
1588 West North Temple
Salt Lake City, Utah 84116

- POST. 1-4-81

Dear Mr. Helfrich:

Does the Division have a list of approved laboratories for soil, water and overburden analyses?

I would also like to know if you have a suggested list of parameters to be tested for soils and overburden?

Please send me any available information which could be of assistance on these subjects as it pertains to underground mines. Thank you.

Sincerely,

Marcia J. Wolfe
