Dear Mr. Bown:

According to our records you have two Notices on file with our office, Casefile Number UTU-72287, located in Section 8, T. 13 N., R. 13 W. and UTU-72297, located in Section 31, T. 13 N., R. 13 W. By regulation, all Notices have a term of two years but may be extended for an additional two years under the provisions of 43 CFR3809.333. Your Notices will expire on January 20, 2005 unless you notify us in writing of your desire to extend them.

If you fail to extend your Notices, they will expire on January 21, 2005. All operations must cease except reclamation (43 CFR 3809.335). A reclamation plan and schedule must be submitted within 30 days of the expiration of your notices. The reclamation plan and schedule must be accepted prior to any work commencing on the ground. If you fail to submit a reclamation plan and schedule for the existing disturbance at these sites you will be in noncompliance. A noncompliance order will be issued and appropriate enforcement actions taken.

If you have any questions regarding the extension of your Notices, please contact Michael Ford of my staff at (801) 977-4360 or Terry Snyder at the Utah State Office. Her telephone number is (801) 539-4026.

Sincerely,

Michael S Lee
