Re: Partially Complete Transfer Form, Nelson Quarry, S/003/041, Box Elder County, Utah

Dear Mr. Thomas:

On September 28, 1998, the Division received a partially completed transfer form for the Nelson Quarry (S/003/041) from Todd Erickson. Mr. Erickson informed the Division that the surface had been sold to you last winter. Mr. Erickson filled out a transfer form which he gave to you to complete and send to this office. To date we have not received that transfer form.

Please complete and return the enclosed partially completed form within seven (7) days from the date of this letter. Mr. Erickson permitted this project in 1997. He informed us that you were working on this property, as was recently observed during a Division inspection of the Cotton Thomas area. Mr. Erickson has not given you permission to operate under his permit. Until you complete the transfer form, you are in a trespass situation operating on this property.

The Division is also aware that you purchased the surface of the Nelson's Quartzite quarry (S/003/036) located to the north and adjacent to the Autumn Gold quarry. Chris Nelson has informed the Division that a transfer form was sent to you to complete and submit to the Division. Likewise, until this transfer is completed, you are operating in a trespass situation on this site.

Your immediate action is requested. If you have any questions regarding this letter, please contact me or my supervisor D. Wayne Hedberg at 538-5310 or 538-5286 respectively.

Sincerely,

Lynn Kunzler
Senior Reclamation Specialist
