re: Trans. Pwr. Line
~~Sunnyside Mines~~
ACT/007/007

Dear Sirs;

Kaiser Steel Corp. submits the following information in response to the stipulations contained in your letter of 7-23-81.

#7-81-1: Please find enclosed a topographic map showing the existing and new transmission line location including the power poles.

#7-81-2: The existing power line will remain in place for the time being to serve for emergency power. The area disturbed in constucting the new line will be reseeded this fall per the approved Revegetation Plan previously submitted to the Division and accepted by your 7-10-81 letter.

#7-81-3: No topsoil was disturbed, but some brush and trees were removed to allow placement of the new line. This area will be reseeded as described above.

#7-81-4: The letter of approval from the Division of Wildlife Resources will be forthcoming.

Sincerely,

John S. Huefner
