Re: Five-Year Permit Renewal- Completeness Determination, Canyon Fuel Company, LLC, Banning Siding Loadout, ACT/007/034-98PR, Folder #3, Carbon County, Utah

Dear Mr. Olsen:

The Division has determined that the permit renewal application for the Banning Siding Loadout is "complete and accurate," with the submittal of updated legal and financial and violation information, and the current bond and evidence of liability insurance. The updates to the plan, which changed the permittee from Soldier Creek Coal Company to Canyon Fuel Company, LLC is accepted as part of the renewal.

Publication of the public notice for permit renewal may proceed as required by R645-300-121. The publication should now proceed for four consecutive weeks. At the end of the 30-day comment period, findings for the renewal will be made and the permit renewed unless a factual basis for denial of the renewal is presented to and upheld by the Division.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
