Re: Notice of File Closures for Small Mining Activities, Brown Rose Mining's Brown Rose Mine S/015/036; Denali Mining's Golden Rose Mine, S/015/038 (UTU-76070); and Brown Rose Mining's Rosebud Mine, S/015/039 (UTU-076071), Emery County, Utah

Dear Mr. Manus:

Thank you for your letter received January 28, 1999, informing us that BLM staff have inspected these three projects and agree with releasing these sites. The Division will now close these files and release these operators from reclamation responsibilities at these sites. We will attempt to notify the operators of this release by copy of this letter. Previous Division attempts to contact Shirley Rose by mail have been unsuccessful due to incorrect addresses.

Future mining in these areas by these operators, or other parties will require the submission of the appropriate notice and fee to the Division prior to creating any surface disturbances.

Please provide us with copies of your closure letters for these projects when the BLM files are closed. Thank you for your staff's assistance in performing inspections of these sites. Please contact me at (801) 538-5267 if you have any questions regarding these projects.

Sincerely,

Anthony A. Gallegos
Senior Reclamation Specialist
