ACT/007/007, Folder No. 13
Carbon County, Utah

Dear Mr. Pearce:

Enclosed please find copies of letters from the Bureau of Land Management requesting information to be included in the Sunnyside Mines Mining and Reclamation Plan (MRP). These comments were inadvertently left out of the Apparent Completeness Review sent to you on June 23, 1983.

Please prepare an immediate response to these concerns and submit 14 copies (six State, eight Federal) for review. Submit the response in proper format for incorporation into the existing MRP.

If you have further questions, feel free to call.

Sincerely,

Steve Cox
Reclamation Biologist
