Sunnyside Mine
ACT/007/007, Folder No. 2
Carbon County, Utah

Dear Doug:

The Division will soon be sending out copies of the Draft Technical Analysis (TA) for the Sunnyside Mine review to all appropriate parties. Included with the TA will be the enclosed Mine Plan Information form. It would be of great assistance to us if you could fill out the enclosed form and return it to the Division as soon as possible, preferably by December 28, 1983. If necessary, use additional sheets for Lease Numbers, Legal Description, etc.

Should you have any questions, regarding this form, please contact the Division.

Sincerely,

Mary M. Boucek
