Subject: Determination of Completeness for Permit Renewal, Task #5687, Canyon Fuel Company, LLC, Banning Loadout, C/007/0034

Dear Mr. Tatton :

The Division received your application for renewal of the Banning Loadout permit on May 31, 2018. An initial review of the submitted information indicates that the application is administratively complete. The Division will now provide notice to all appropriate agencies that an application is available for public review and comment.

Because of the strict time frames associated with public notice for a renewal application, you should immediately proceed with publication as required by R645-300-121. At the same time you should ensure that a copy of your current plan is filed with the county recorder. A copy of the Affidavit of Publication should be forwarded to the Division as soon as it is available.

Thank you and please call me at (801) 538-5325 if you have any questions.

Sincerely,

Daron R. Haddock
